

DISCLAIMER

This is a summary of Airbus Standard Multi-User Licence that highlights its key terms. Please read the full Airbus Standard Licence text for the exact (and legally binding) terms that apply.

Who are the End-User and the Affiliated End-User(s) linked by a joint-project?

The End-User is the person, commercial entity or governmental agency that has accepted the Licence having primarily contracted with Airbus.

The Affiliated End-User is a commercial entity or government agency (validated in advance by Airbus) that has accepted the licence resulting from its engagement in a joint project with the End-User, such as :

- Joint venture agreement
- Teaming agreement
- Consortium agreement

The joint project shall be approved by Airbus in advance. Airbus will also ensure that export control regulations and commercial exclusivities are respected.

What are you – as End-User or Affiliated End-User – allowed to do with the product?

For all internal uses of the product:

You are free to:

Use, store, access, copy, share, process the product into any internal device or your secured cloud infrastructure.
